

 Activity: Reach the Diamond Game

**When you reach a DIAMOND you receive 10 points**  
**If the person you are playing with reaches a diamond they receive 10 points.**  
**The object of the game is to accumulate the most number of points possible**

<p>Step 1. Place a small coin on the start point and decide who will go first.                  Step 2. Each person takes a turn at moving the coin once to the spot of their choice.                  Step 3. When you reach a diamond you get 10 points and you start a new game (return coin to start)</p>	<p>NB Play as many games as you can in two minutes. No skipping or hopping spots.                   For each individual game you can only use each spot once. You will play a number of games in the two minutes</p>
<p><b>When you start each new game – alternate person starts</b></p>
